WAX/OIL PULL UP ANILINE

UPHOLSTERY

INTERNAL
MARINE

HEIRLOOM is a very high quality pure aniline from Italy. This leather is a wax/oil type leather and has a pull up effect. Being a pure aniline, the skin surface has not been touched or buffed in any way and the colour will not be even as the skin has absorbed in the colour naturally.

PLEASE NOTE: This leather will scratch and mark very easily but when left alone, the wax and oil will redistribute back to an even look.
